

FARM FINANCIAL PLANNING

OSU Extension is now offering financial planning assistance for all Oklahoma producers.

Oklahoma producers looking for assistance with farm financial planning can now sign up for the OSU Extension Farm Financial Planning program. The program is available for all animal and crop producers at no cost.

OSU Extension Specialists will provide information about beginning balance sheets and other financial statements critical for securing loans. These sheets and statements are important to help clients:

- ▶ Begin the application process for many USDA support programs.
- ▶ Track performance of farm and ranch operations.

For more information or to register for farm financial planning assistance, contact Courtney Bir, Farm Management Extension Specialist.
